

PRICE LIST

These items are all made from 100% recycled bicycle inner tubes saved from UK landfill and then handcrafted by trained tailors in Malawi, through the charity Cycle Of Good.

The nature of this recycled material means there will be blemishes and variations, who knows you may even be lucky enough to get some manufacturers text or an old puncture repair patch! They are all shower proof to keep your goodies dry.

INNER TUBE COIN PURSE RECYCLED MATERIAL

£7.50

A cute little zippered purse for keeping coins and notes safe. Perfect for nipping to the shop for a pint of milk and the Sunday paper!

INNER TUBE POCKET WALLET – RECYCLED

£7.50

This is the essential minimalist wallet, holding your credit card in the rear pocket and a couple of notes in the Velcro secured pouch.

Perfect for your Sunday cycle, it fits in your cycle jersey pocket ready to pay for your coffee and cake. Equally good for a night out, it fits in your jeans pocket with no fuss.

RECYCLED INNER TUBE WALLET

£14.50

The classic wallet with a Malawian twist! Four handy credit card slots and a large note section, lined with traditional African wax print cloth known as Chitenge and bound with cotton binding.

KUCHEZA – PHONE CASE

£11.95

This protective little pouch is purpose designed to keep your phone safe and sound.

It has a handy credit card slot on the back, making this case all you need for everyday life.

It is lined with traditional African wax print cloth known as Chitenge, secured with a Velcro flap and bound with cotton binding.
